

To Whom It May Concern,

We at The Redwoods have been using Will Do for the past 3 years. We receive wonderful first rate service from Dave and his crew. They are friendly and prompt. In 2008 we had an unfortunate flood of our main floor at 2:00am, we needed immediate help and Will Do was there for us, Thank you Dave!

We highly recommend Will Do for all of your carpet and steam pressure cleaning needs. They are fair and cost efficient. We are a Retirement Residence and look for the friendly and trustworthy service providers we want our residents to feel safe and well looked after. Dave and his team deliver. You can look forward to friendly quality service with Will Do!

Warmest Regards
